FOR IMMEDIATE RELEASE

Jason Armstrong's Drive Muskoka Dealerships \$150,000 donation to the Huntsville Hospital Foundation reinforces healthcare for life in Huntsville

(August 17, 2015, Huntsville, Ontario): Jason and the team at Jason Armstrong's Drive Muskoka Dealerships have collaborated in their efforts and announced today that they will be donating \$150,000 to the Huntsville Hospital Foundation, as a way of thanking the community for their ongoing patronage and support.

The donation will be allocated to the hospital's surgical equipment needs and will help the Huntsville Hospital Foundation reach their annual budget of \$3 million required to keep the Huntsville site current with regard to technology and other capital assets.

The cheque presentation was made on Wednesday August 12th at 12:30pm at their Honda dealership located at 8 Ott Drive in Huntsville, ON.

A future donor recognition plaque unveiling will take place at the Huntsville Hospital in the coming weeks in appreciation for their generosity.

Drive Muskoka is made up of three dealership locations in Huntsville, engaging over 75 full-time local employees. In 2011, their Huntsville Honda dealership moved to its new 18,000 square foot location on Ott Drive. In the same year, they opened their Hyundai dealership at 20 King William Street. They later opened Armstrong Dodge as their full service Chrysler, Dodge, Jeep and Ram dealership. All three of their dealerships offer a full range of automotive services. While the team has chosen to sponsor various community projects over the past 12 years, this is the single largest donation to date.
