
New Executive Director for Huntsville Hospital Foundation

(Thursday, August 20, 2015, Muskoka, ON) – Huntsville Hospital Foundation is pleased to announce the appointment of Katherine Craine, CFRE as the new Executive Director.

“After a careful and thorough search, we feel fortunate to welcome such an amazing talent to our organization. Katherine’s enthusiasm, extensive experience and expertise comes at a key moment for the Foundation as we move our organization forward, and continue our growth. We could not be more pleased to have Katherine on our team,” said Les Dakens, Chair of the Foundation Board of Directors.

Katherine joins us from Rouge Valley Health System Foundation with 13+ years of major gift industry experience. Her remarkable career has continually evolved from her Manager’s role at Canadian Cancer Society, to Director of Fund Development with Boys and Girls Club, to her Major Gift and Director’s role at Rouge Valley. “I’m excited about the opportunity to get to know our donors, staff, volunteers and the community,” said Craine.

Our community is very giving and supportive. Please join us in a warm welcome to Katherine as she officially begins her role August 31, 2015.
