

# OUR COTTAGE CARES

Your 3-year commitment today ensures local hospital care is where you need it most.

EVERY SUMMER, THE NUMBER OF VISITS TO HUNTSVILLE HOSPITAL'S EMERGENCY DEPARTMENT DOUBLES COMPARED TO SPRING, FALL AND WINTER. WE USE IMAGING AND DIAGNOSTICS TECHNOLOGY MORE. WE MEND MORE BROKEN BONES. WE USE OUR STRETCHERS MORE THAN WE'D LIKE. WE DEPEND ON OUR PHYSICIANS AND NURSES MORE OFTEN WHO, IN TURN, DEPEND ON HAVING THE RIGHT TECHNOLOGY CLOSE BY.

**The demands on local healthcare increase in lock step with the arrival of our summer cottage population. And for that reason, we need your help!**

Support the hospital you count on each summer with an annual donation commitment today. We call it **Our Cottage Cares!** You care about having local access to outstanding medicine close by here in Muskoka. You understand the role of local hospital care in the value of your cottage property. You care about the well-being of your guests and neighbours.

**IS YOUR COTTAGE HOME TO A FAMILY WHO CARES ABOUT ITS LOCAL HOSPITAL? WE'RE ALL COUNTING ON IT.**
