
Rolston Home Building Centre is proud to renew their 5 year Business Cares commitment to Huntsville Hospital Foundation!

Thursday June 24, 2021 Huntsville Ontario: Rolston Home Building Centre is thrilled to announce they are renewing their commitment to the Huntsville Hospital Foundation’s Business Cares Program. They have continued their 5 year commitment to the Business Cares initiative because their donation is an investment in our community which will help improve healthcare for all residents.

Rolston Home Building Centre is located beside Hwy 11 North at Muskoka Road 3 North in Huntsville and they employ 45 people. They have a Beaver Model Home on site and design consultants to help you with your new home or cottage design. They can help complete your next project with their installed sales team who use only Home Hardware certified local contractors.

Rob Rolston, Store Owner told the foundation: “I have complete trust that the Huntsville Hospital Foundation Board of Directors makes decisions with the best interest of Huntsville’s health care clearly in focus. I look for ways to say yes quietly - and supporting Huntsville Hospital through Business Cares was the right fit. To me, it says this is our business community coming together to do good for everyone. You know in your heart of hearts, it’s the right thing to do.”

Huntsville Hospital Foundation in partnership with their Business Cares Committee officially launched their new “Business Cares” initiative in January 2016 with the goal of enrolling 40 businesses in the community. They are very happy to report that they have surpassed their goal. Their plan is to continue with this successful initiative, as they have many businesses expressing interest in joining the Business Cares community. Since its inception, 54 local businesses have committed to donating \$25,000 or more over the next five years for Healthcare for life, here.

Pat Dube Committee Chair, is joined by Committee Members Chantelle Armstrong, Katherine Craine, Mike Harrower and Trish Kruusmagi who are very active in pursuing new Business Cares Partners, and exploring more, much needed support for Huntsville Hospital.

Pat Dube sends this message: “The ability of a community to invest in its own health and future for our neighbours, our families and everyone who visits here is evident in the support of local business leaders. I’m sure you share my profound gratitude to them all. We’re great when we work together – that’s Business Cares.”

Huntsville Hospital Foundation is a fundraising organization dedicated to improving healthcare services for residents of Muskoka and East Parry Sound. A registered charity since 1984, its mandate is to provide ongoing capital and education resources for Huntsville District Memorial Hospital. This will ensure our hospital and medical professionals have the technology and equipment they require to provide exceptional care.
