
Titanium Transportation Group Inc. is proud to renew their 5 year Business Cares commitment to Huntsville Hospital Foundation!

Monday June 7, 2021 Huntsville Ontario: Titanium Transportation Group Inc. is thrilled to announce they are renewing their commitment to the Huntsville Hospital Foundation’s Business Cares Program. They have continued their 5 year commitment to the Business Cares initiative because their donation is an investment in our community which will help improve healthcare for all residents.

Titanium Transportation Group is a leading edge technology-infused company, whose headquarters are located in Bolton Ontario. They have terminals in North Bay, Bracebridge, Napanee, Windsor, Belleville, Brantford, Cornwall, Charlotte, Nashville, and Chicago. With a fleet of 800 units and 3000 trailers, it includes dry vans, flatbeds, step-decks, and heavy axle trailers. With 1100 employees, and the recent acquisition of ITS Group, Titanium has become one of the largest transportation companies in Canada.

Ted Daniel, CA, CPA, President and Director told the foundation: ‘A reflection of community economic success is the health of that community. That is the social responsibility of local businesses; we transfer our success to the greater good. We’re all connected here: local businesses, residents, cottagers, and our guys driving through town to serve local customers. We share the road - we share the responsibility through Business Cares.’

Huntsville Hospital Foundation in partnership with their Business Cares Committee officially launched their new “Business Cares” initiative in January 2016 with the goal of enrolling 40 businesses in the community. They are very happy to report that they have surpassed their goal. Their plan is to continue with this successful initiative, as they have many businesses expressing interest in joining the Business Cares community. Since its inception, 54 local businesses have committed to donating \$25,000 or more over the next five years for Healthcare for life, here.

Pat Dube Committee Chair, is joined by Committee Members Chantelle Armstrong, Katherine Craine, Mike Harrower and Trish Kruusmagi who are very active in pursuing new Business Cares Partners, and exploring more, much needed support for Huntsville Hospital.

Pat Dube sends this message: ‘The ability of a community to invest in its own health and future for our neighbours, our families and everyone who visits here is evident in the support of local business leaders. I’m sure you share my profound gratitude to them all. We’re great when we work together – that’s Business Cares.’

Huntsville Hospital Foundation is a fundraising organization dedicated to improving healthcare services for residents of Muskoka and East Parry Sound. A registered charity since 1984, its mandate is to provide ongoing capital and education resources for Huntsville District Memorial Hospital. This will ensure our hospital and medical professionals have the technology and equipment they require to provide exceptional care.
