

Capstone Market/Petro Canada is proud to renew their five year Business Cares commitment to Huntsville Hospital Foundation!

Wednesday August 25, 2021 Huntsville Ontario: Capstone Market/Petro Canada is thrilled to announce they are renewing their commitment to the Huntsville Hospital Foundation’s Business Cares Program. They have continued their five year commitment to the Business Cares initiative because their donation is an investment in our community which will help improve healthcare for all residents.

Capstone Market/Petro Canada, is locally owned and operated by a family of community minded partners. They are very supportive to many organizations, events, and fundraisers in Huntsville and the surrounding area. There are three locations, one in Burk’s Falls at 5 Hilltop Drive, and two in Huntsville, 59 King William Street and 2 Capstone Lane next to Home Depot. Each location has a variety store, and gas station. The Huntsville locations also have a car wash.

Partner Larry Greenwood, told the Foundation: “A vibrant community survives only by its ability to care for the sick and injured. We must continue to not only support our Hospital but all the people that make this possible.”

Huntsville Hospital Foundation in partnership with their Business Cares Committee officially launched their new “Business Cares” initiative in January 2016 with the goal of enrolling forty businesses in the community. They are very happy to report that they have surpassed their goal. Their plan is to continue with this successful initiative, as they have many businesses expressing interest in joining the Business Cares community. Since its inception, fifty four local businesses have committed to donating \$25,000 or more over the next five years for Healthcare for life, here.

Pat Dube Committee Chair, is joined by Committee Members Chantelle Armstrong, Katherine Craine, Mike Harrower and Trish Kruusmagi who are very active in pursuing new Business Cares Partners, and exploring more, much needed support for Huntsville Hospital.

Pat Dube sends this message: “The ability of a community to invest in its own health and future for our neighbours, our families and everyone who visits here is evident in the support of local business leaders. I’m sure you share my profound gratitude to them all. We’re great when we work together – that’s Business Cares.”

Huntsville Hospital Foundation is a fundraising organization dedicated to improving healthcare services for residents of Muskoka and East Parry Sound. A registered charity since 1984, its mandate is to provide ongoing capital and education resources for Huntsville District Memorial Hospital. This will ensure our hospital and medical professionals have the technology and equipment they require to provide exceptional care.
