

## Looking to Help Your Community?

Muskoka Algonquin Healthcare (MAHC) was created as a multi-site health care organization in 2005 through the amalgamation of South Muskoka Memorial Hospital in Bracebridge and Algonquin Health Services which operated Huntsville District Memorial Hospital. Muskoka Algonquin Healthcare (MAHC) provides emergency health care services and inpatient care at two hospital sites in Huntsville and Bracebridge. MAHC serves over Muskoka 60,000 residents, and double that population in the summer months. MAHC is affiliated with the Northern Ontario School of Medicine.

The Huntsville District Memorial Hospital is located in the town of Huntsville and houses 42 acute care beds. It is designated as the District Stroke Centre.

WE ARE LAUNCHING A CAMPAIGN Huntsville Hospital Foundation is the official funding arm of the Huntsville Hospital, and we are about to launch a capital campaign to support the renovation and expansion of Huntsville Hospital site.
