

Drive For Your Hospital Tent Event raises \$31,800 for Huntsville Hospital!

Wednesday October 23, 2024, Huntsville Ontario: Drive Muskoka is proud to announce the success of their annual Drive For Your Hospital Tent Event. In its 10th year, this event continues to raise much needed funds for Huntsville Hospital. The fundraiser, which ran from August 1-31, generously donated \$200 from each vehicle sold at Huntsville Dodge, Huntsville Honda and Hyundai of Muskoka. Each buyer had the choice of hospital between Huntsville Hospital Foundation, South Muskoka Hospital Foundation and West Parry Sound Health Centre.

This year, Drive Muskoka has successfully raised an impressive amount of \$31,800 to support lifesaving equipment at Huntsville Hospital! In total they will be donating \$40,600 across all 3 hospital foundations - \$3,800 will be going to West Parry Sound and \$5000 to South Muskoka. The sales team were all smiles and felt good about the donation and giving back to their community.

This event is a shining example of how businesses and the community can come together to make a lasting impact. Drive Muskoka and Huntsville Hospital Foundation are already looking forward to future partnerships that will continue to benefit the health and wellness of our community.
