All Ontario Recycling renews \$25,000 Business Cares Pledge to Support Huntsville Hospital Foundation

HUNTSVILLE, ON: The Huntsville Hospital Foundation is thrilled to announce that All Ontario Recycling, has renewed their generous \$25,000 pledge to the Business Cares Initiative, reaffirming their commitment to strengthening healthcare in our community.

'We are grateful that All Ontario Recycling has renewed their commitment to the Business Cares initiative' said Trish Kruusmagi, Development Officer Events & Community Engagement. 'For nine years, Kevin and Bev, owners of All Ontario Recycling have generously supported Huntsville Hospital Foundation, contributing nearly \$40,000 during that time. Their dedication extends to supporting both Muskoka hospitals, and they know this is an impactful way to strengthen our community and improve patient care for everyone who calls Muskoka home.'

Bev & Kevin told the foundation: 'We wanted to align our company with a meaningful cause and supporting Huntsville Hospital does just that. All of us will need the hospital one day – our staff will need it, our family and our neighbours. Supporting the hospital(s) ensures that advanced medical equipment, technology and services are available for us where they're needed most – right here in Muskoka.'

Since January 2016, the Huntsville Hospital Foundation Business Cares initiative has raised over \$2 million to help our hospital acquire advanced technology and equipment. Thanks to the caring business leaders of our incredible town and the communities around it, the initiative continues to grow, and more business leaders continue to step up in support of our hospital.
