

Thursday October 16, 2025 – Huntsville, Ontario:

Performance Auto Group is excited to share the success of their 11th annual Drive for Your Hospital Tent Event, which once again raised critical funds to support local healthcare.

From August 1–31, \$200 from every vehicle sold at Huntsville Dodge, Huntsville Honda, and Hyundai of Muskoka was donated to a hospital of the buyer's choice: Huntsville Hospital Foundation, South Muskoka Hospital Foundation, or West Parry Sound Health Centre.

Now in its 11th year, this incredible initiative continues to make a meaningful difference by helping ensure hospitals in our region have the resources and equipment they need to provide exceptional care.

This year, Performance Auto Group has successfully raised an impressive amount of \$24,000 to support lifesaving equipment at Huntsville Hospital! In total they will be donating \$34,400 across all 3 hospital foundations - \$3,400 will be going to West Parry Sound and \$7,000 to South Muskoka. Team members shared their excitement, knowing their efforts were directly supporting local hospitals and healthcare for life, right here in Muskoka.

This event is a shining example of how businesses and the community can come together to make a lasting impact. Performance Auto Group and Huntsville Hospital Foundation are already looking forward to future partnerships that will continue to benefit the health and wellness of our community. This wonderful and unique community fundraising event has raised \$203,800 for Huntsville Hospital since it first started in 2015.

Muskoka Regional Manager Jef Green told The Foundation "The Performance Auto Group is proud to mark our eleventh year of contributing to local hospitals in the Muskoka region. Our commitment reflects our dedication to investing in the future healthcare of our community, and we eagerly anticipate continuing this annual event."

Katherine Craine, Foundation CEO had this to say: "We are so grateful to our friends at Performance Auto Group for once again delivering such incredible results for Huntsville Hospital.
