## **HUNTSVILLE, ON – Rob and Cory Rolston Invest Another \$25,000 in Care Close to Home**

When local businesses invest in healthcare, the entire community benefits. That's why Huntsville Hospital Foundation (HHF) is proud to recognize Rolston Home Building Centre for their continued leadership and generosity, as they renew their **\$25,000 pledge for the third time** through the Business Cares program.

This ongoing commitment speaks volumes, not only about their dedication to local healthcare, but their belief in the importance of ensuring our hospital is equipped to care for our community today and in the future.

This generous commitment helps ensure Huntsville Hospital physicians and healthcare teams have the tools they need to provide exceptional care for residents, families and visitors throughout Muskoka. This latest pledge will help purchase equipment like new beds and stretchers, a new CT Scanner, Crash Carts, Operating Room Tables, Cataract Trays, and UKG Software.

"It's so great to have Rob and Cory Rolston continue their commitment to the Business Cares group of amazing partners, we truly believe in 'it takes a village' and our community is the lucky recipient of their generosity, said Katherine Craine, HHF CEO. "Remember to "support those who support us" to demonstrate the mutual caring that our partners prove every day!"

Rob and Cory Rolston told the foundation: 'Supporting Huntsville Hospital is important to us because it directly impacts the health and well-being of our community, our staff, our customers, and our families. Renewing our commitment through the Business Cares program was an easy decision, and we're proud to continue investing in healthcare close to home.'

The Business Cares program has grown into a powerful example of community philanthropy, with 60 local businesses and community leaders coming together to support vital hospital equipment and priority projects. In March alone, Huntsville Hospital's Emergency Department cared for 1,825 patients, emphasizing the growing demand for local healthcare. Our donors' ongoing generosity continues to strengthen care for everyone who lives, works, and visits Muskoka.
